

MY ONE PAGE PROFILE

Name: Dawn Barnes she/her

Job Title: CEO

What people appreciate about me...

- That I work hard and am reliable
- That I am always ready to lend a hand
- My organisational skills, particularly event organising
- My baking skills – I love to feed people !
- My passion for communities and wanting the best for people

What's important to me...

- My job isn't just a job, it's my life's work. Being able to make a real difference to people's lives is what motivates me.
- My family and friends. We are a small close knit family surrounded by a fantastic group of supportive friends.
- Fairness and justice – I'm frustrated by some of the systems we have to work in so I work with others to try and change them.
- Leading by example – I'm a great believer in modelling the values and behaviours I hope to nurture in others.
- Helping other people to thrive. There is nothing better than supporting others and investing time in them to help them thrive and reach their full potential.

How to support me well at work...

- I don't like surprises – tell me if things go wrong sooner rather than later
- I struggle with change – it takes me a while to get used to it. It helps to have the details – I like details !
- I am a people person – I much prefer a face to face conversation or a phone call.
- I like time to think things through. I may seem quiet, but my mind is constantly working. I just need some time to process things before I can comment/respond.
- I appreciate honesty – be open and honest about things, good and bad.
- Sometimes I can be oblivious to things that I may have done or said to offend you. It is never intentional, so please tell me
